Communication from the City Clerk advising that he does not have funds within his budget for the upcoming State Special Election(s) and is requesting authorization to expend up to \$50,000.

Deputy Clerk Johnson stated we would note that we did hand out a new communication, which would show an increase of that request to approximately \$60,000.

Mayor Baines asked Mr. Clougherty to advise the Board on this matter.

Mr. Clougherty stated the Board at one of its last meetings moved \$1 million into contingency to deal with the Welfare situation so the current balance is \$1,060,000. This expenditure would leave us with a balance of about \$1 million so we will have to try to make sure that we deal with the Welfare situation as efficiently as we can or take a look at other balances going forward because we would have nothing left in contingency.

On motion of Alderman Lopez, duly seconded by Alderman Thibault, it was voted to transfer \$59,290 from contingency to the City Clerk's Office.

There being no further business, on motion of Alderman Pinard, duly seconded by Alderman Garrity, it was voted to adjourn.

A True Record. Attest.
